

My tax return preparer, Jennifer Rau, has informed me that she may be required to electronically file my 2020 individual income tax return form 1040 if she files it with the IRS on my behalf. I understand that electronic filing may provide a number of benefits to taxpayers, including an acknowledgement that the IRS received the returns, a reduced chance of errors in processing the returns, and faster refunds. I do not want to have my return electronically filed, and I choose to file my return on paper forms. I will mail or otherwise submit my paper return to the IRS myself. My preparer will not file or otherwise mail or submit my paper return to the IRS. I was not influenced by Jennifer Rau or any member of Accounting & Tax Services, Inc firm to sign this statement.
